

Rotary Club of Danvers

Dear Friends:

Danvers Rotarians have planned a Calendar Raffle for the month of April to help fund this year's Rotary projects, within the community. Our Rotary Club is grateful for all your past support and would love to have you help us with this fundraiser. We are looking to fill each day of the April Calendar with great prizes and sell raffle chances for \$10.00 each. Each \$10.00 ticket will provide a chance to win the prizes from one of the April dates. The more tickets you purchase will increase your odds at winning during the month.

Calendars will be available all over town and can be purchased from any Danvers Rotarian. Sponsorship Advertising will be included with every calendar and will be publicized on our website.

Current and past Rotary projects that stand out include:

Our construction of the Rotary Pavilion by the library, and our numerous donations to Endicott Park including a new picnic pavilion, an apple orchard, benches, and major contributions for renovations to the Children's Barn and the Nature Center.

We made improvements to the Choate Farm conservation area including picnic tables and benches and a new parking lot, and improvements to the swamp walk and rail trail.

We gave thousands of dollars in scholarships each year to Danvers seniors, helped fund the playground at Great Oak School, gave dictionaries to every third grader in town, contributed to the media room at Danvers High School and installed a flag pole at Dr. Deering Stadium. We provided funds for the Danvers YMCA Gymnasium, donated to the Food Pantry, and organized the Farmers Market each summer. The list goes on and on.

The Danvers Rotary Club is a volunteer service organization of business professionals either working or having interest in Danvers. As part of a worldwide organization, with a mission of "*Service Above Self*", we are people of action for our community and beyond.

This has been a difficult year for fundraising due to the Pandemic not allowing for functions involving people participating in group events. Let's look at this fundraiser as a way to take part in an event while still maintaining some distance. Prizes that are won will help to bring us all together again.

With your help Danvers Rotary will continue worthy causes and activities. The club is asking for your support with this fundraiser - a month long calendar of prizes. Please be a donor, a sponsor and take some chances to win. The money we raise goes right back into your community.

Thank you,

Becky Kilborn, Co-President
Neal Waldman, Co-President

2021

Rotary Club of Danvers Calendar Raffle
