**Birthdays: Lenny Mercier**

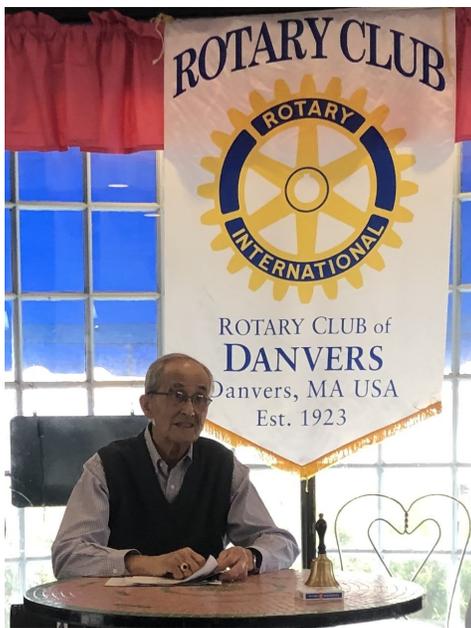

**Guest Speaker: Tom Standing**

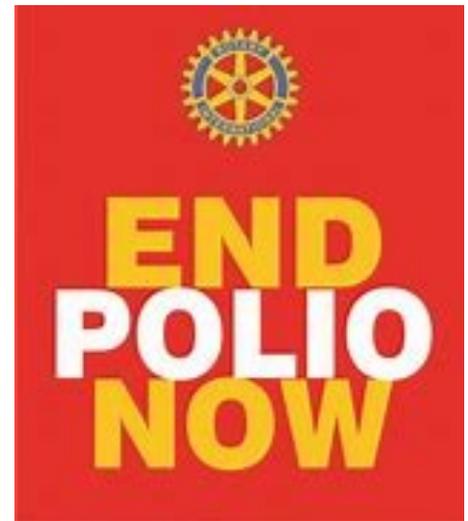

Tom gave a great presentation and update on Polio Plus today. He discussed the symptoms and what an important role Rotary plays in combating this terrible disease. Currently we are close to 100% in eradicating the disease. There are still only two countries that have cases: Afghanistan and Pakistan. Once you have the vaccine—you are protected for life. Unfortunately there are certain terrorist groups that are shooting and killing Polio Vaccinators as recently as a few days ago. WHO considers 1 case an epidemic. The disease is spread from person to person and is traced to sanitation issues. Rotary and the Gates Foundation has set goals to eradicate Polio by 2023.

So far Polio Plus has raised over \$17 Billion in aid. Rotary has raised \$2.9 Billion of the \$17 B.

Thank you Tom for making a difference and updating us.
