

ROTORACLE

Danvers Rotary www.DanversRotary.org

September 23rd, 2019

Welcome: President Jacki Shambaugh opened today's meeting with a number of reminders and updates. We are excited to announce the NEW flag pole that is now firmly planted in the ground at Danvers High School Football Stadium.. Jackie thanked all who attended the ceremony and for everyone in the club for helping support this great project. Also—a BIG thanks to those who helped put together the handicap accessible picnic tables on the bike path. Both projects are maintenance FREE and will be a part of our community for many years to come.

Invocation: Suzanne Contreas

Guest: Jacob Little from Citizens Bank

Attendance: Dan D, Christina, Shelley S, Sarah D, Ralph A, John S, Tom S, Brad H, Barry K, Beck K, Jacki S, Suzanne C, Annelie S, Gary N, Teddy S

Lunch: coffee, water, spring salad, Lemon/pepper chicken, Chinese pork strips, mixed vegetables, and make your own sundae with many fixings.

Guest Speaker: No Speaker Today

Bike Tail Picnic Tables. Rotary Members and Volunteers

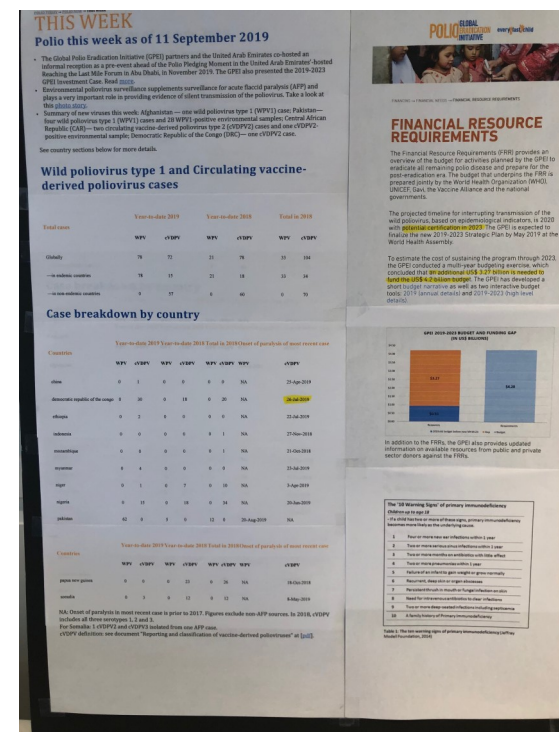

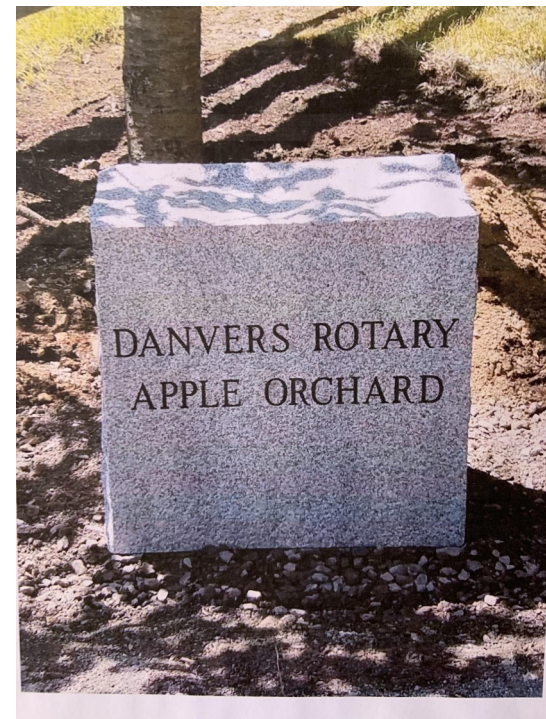

Announcements

Becky Kilborn updated us on the 3 projects that Danvers Rotary is working on. Flag Pole at Danvers HS, Picnic Tables at Bike Trail and the Pavilion which is to be built at Endicott Park. Becky discussed the location and the process in building the structures. The committee has officially picked a contractor to build the Pavilion.

Updates

Brian Ahern is making his way to the Philippines on a Rotaplast mission. We are excited to have Brian represent our club and to make a difference for a number of children afflicted with this terrible burden. Great Job Brian!

Rotaplast International, Inc. is committed to helping children and families worldwide by eliminating the burden of cleft lip and/or palate, burn scarring, and other deformities. Working with local professionals, Rotarians, and other organizations, Rotaplast sends multidisciplinary medical teams to provide free reconstructive surgery, ancillary treatment, and training for the comprehensive care of these children. Rotaplast supports education and research towards prevention of cleft lip and/or palate. Our aim is to help local professionals build sustainable models for the care of these children, improving their lives and those of their families.
